Business: This limited company operates a web based Job Board specialising in the Oil, Gas & Petrochemical industries.

The business markets vacancies on behalf of specialist recruitment agencies on either a contract or ad hoc basis for a fee.

The company has 12 web domains and has their website continually optimized to ensure high ranking on the major search engines.

There are presently over 15,000 people registered worldwide on the website expressing an interest in searching for work and lodging their CV's.

Agents post hundreds of vacancies every month with an average of 1.500 vacancies on the site at any one time.

The business has shown rapid growth since its inception and continues to do so.

Operated by the two vendors, the business is easily managed.

Although presently office based, the business can be home based and can be relocated anywhere where this is telephone and internet access

The business is suitable as a 'stand alone' growing business or as an 'Add on' to a complementary business
